

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 1
8th September 2017

Our Learning Journey

Welcome back to school - the term has started very well with everyone settled and enjoying their new year. The children look very smart in their new uniform and are getting used to wearing their tie and using their pencil case!

We have enjoyed sharing our postcards and they are now displayed in our classroom. They have helped us to write about our holidays.

Working hard to record our summer holiday and creating a name card.

We have identified lots of things we know about ourselves and used this to record an information sheet. We have identified that a birth certificate, videos, photos, writing, mum talk and social media support our personal histories.

Tidying up our area outside so we can use the table when it is sunny!

Focus on Learning

Next week we will be using powerful words to describe a setting. We will be using Narnia as an example of description.

In Numeracy we will be learning to enlarge pictures and using strategies for adding numbers.

We have begun to discuss an agreed set of rules to make sure we all help each other learn in school. A copy of this will be displayed in our classroom soon.

Star Learners.

Well Done to Isabella who  has begun this year with great enthusiasm and responded to all the new challenges. She has joined in with games, discussion and writing.

Reminders to Families

Please could you ensure that all uniform is named as some jumpers have already been mislaid.

For this half term, the children will be swimming on Tuesdays and having indoor PE on a Friday morning.

Children can bring in a healthy snack or a small amount of money to purchase a snack at playtimes.

Thank you.
