

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 18
9th February 2018

Our Learning Journey.

We have all peeled and chopped a potato, boiled and mashed it, grated cheese and mixed with the mash to make cheese and potato pie.

Next time, we will be learning how to rub fat with flour!!

We enjoyed learning about Stonehenge and considered how it was used. Creating our own Stonehenge with biscuits was a great way to support this.

We have written our own newspaper reports and created a report about Humpty Dumpty. Sadly in some of the reports, Humpty died.

Next Week

We are going to use imperative verbs and adverbs when writing recipes. We will record how to make cheese and potato pie!

In Maths, we will focus on fractions being an equal part of a whole.

In ICT we will continue to use a classroom environment to post information.

We will continue to learn dance moves for our production.

Star Learners-

Well Done to Lilly-Rose who showed great determination and success in both her reading and maths assessments.

Well Done to Reuben who demonstrated a great understanding in posting messages.

Reminders to Families

Please make sure that all children have their outdoor PE Kit, including extra socks and a hat at school. Please enclose a bag just in case their trainers get wet and dirty.

Thank You
