

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

9th November 2018

Our Learning Journey

It has been another busy week in Year 3 with lots of great learning.

In English we have continued our learning on poetry. We have used some of the features we have learnt about to write our own poems.

Here are some pictures of us in Maths, using cubes to help us find fractions of different amounts. We compared this to division.

Focus on RE

In RE this half term, we are considering why we give presents at Christmas and what Jesus might think of this. We thought about the presents baby Jesus received and what they symbolised. We looked at pictures of gold, frankincense and myrrh and compared these presents to the lamb given by the Shepherds. In the next few weeks we will remember important gifts we have received and try to think of a special gift for someone else. We will also discuss commercialism around Christmas and the 'spirit' of Christmas.

Star Learners

Well done to Emily and Susan for your fantastic home learning model of an enchanted castle.

Information for Families

Wednesday 14th November - Bags 2
School collection

Friday 16th November - Family Learning
morning
