

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 8
11th November 2016

Our Learning Journey

In Art we looked at perspective and how objects differ in size depending on where they are in the picture. We enjoyed using an example to help us.

We have used our plan to write up the story we created. We have tried to show detailed sentences, description, speech and paragraphs.

We have started to think about The Stone Age and we have looked at artefacts we have borrowed from Surrey History Centre in Woking, trying to suggest what they might have been used for.

We are enjoying Rugby but we need to be warm. Please help us to have trainers and socks in school.

Poppy is using rainbow writing to support her spelling.

Focus on Learning

We will begin a poetry theme and use known rhymes and songs to change words that fit the same rhythm.

In Maths we will continue to focus on multiplication and practise our tables.

We will group rocks according to their characteristics.

We will be sketching different objects from different positions.

Star Learner

Well Done Josh W who is trying so hard in his learning. He has been working on his presentation, spelling and speedy but accurate answers in Maths.

Reminders to Families

On Monday, please could your child bring in a seaside object to support our Art learning.

We hope you liked our Christmas card design. Don't forget to bring it back to school.

All children need to bring in their reading books and records everyday. They are checked every morning.
