

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 33
12th July 2019

Our Learning Journey

We have had a good week and enjoyed lots of sporting activities. Our first KS2 sports day was great fun and we all enjoyed the whole year group games. There were great races and we all sat with our houses cheering for all those who took part in relays, sprints and long distance races.

We have made scones this week and were able to use the skills of rubbing, kneading, rolling and grating.

Esme is wearing a dress she made in sewing club.

Brandon is sewing his felt picture very carefully

Focus on Learning

Next week is our last week in Year 3.

We will be trying to complete our sewing, which for some of us is quite tricky to master but we are all determined to finish.

We will be completing our cultural story focus to show how speech is used to move the story on.

Star Learners

Well Done to Susan, who took a tumble in her race and immediately got up to continue- a hard thing to do. She showed great determination.

Well Done to Orton and Kieran who both recorded a detailed story showing speech between characters

Reminder to Families

Don't forget to bring your reading books back so they can be put back in the library ready for next year.

Thank you.

Have a great summer.
