

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

12th October 2018

Our Learning Journey

In English we have enjoyed reading the book 'Fantastic Mr Fox'. We have explored how Roald Dahl uses description and dialogue to bring the characters to life for the reader. We have practised writing and punctuating our own dialogue.

In Maths we have been practising our times tables and have also revisited telling the time. This can be quite tricky but we have all persevered and it is becoming easier.

Luckily, the weather has remained warm so we can enjoy our last few swimming sessions for this term.

Star Learners

Well done to Esmè for showing perseverance and determination in her swimming lesson this week.

Focus on Learning

Next week in English we will plan and write our own stories based on 'Fantastic Mr Fox'

In Maths we will continue our work on telling the time and solving problems involving time.

Information for Parents

Dear Parents

Miss Wells is making a slow recovery but has been signed off work until at least the middle of November.

I am delighted to say that Mrs Downs and Mr Good have agreed to continue sharing most of the class teaching with some sessions, as always, being taught by Mrs Brown.

Mrs Pirie and I have kept a careful eye on the class and are pleased with the way they have settled and the progress they have made this half term.

Although I am unable to offer you a parents evening appointment all children will receive a short report on Tuesday to bring home to you. If, after having read this, you wish to discuss your child further do not hesitate to come to the office and make an appointment to see Mrs Pirie or me.

Thank you for your continued support

Mrs Good
