

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 2  
14<sup>th</sup> September 2018

## Our Learning Journey

We have had a good week and everyone is settling into Year 3.

We are remembering to put our books into the box and each day we are able to change them if we need to. Mrs French has brought in some new books for our reading boxes which the children will be able to use.

We are enjoying our reading time and we have used our outside table for reading too.

In Art, we are learning how to draw people in action. We chose a picture that had a pose. We could see that legs and arms were being held in different ways and used our observational skill to recreate the pose.

Our Opera singing has begun and we have used singing games to help develop our expression when singing songs.

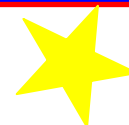

## Focus on Learning

Next week we will consider how characters get from an ordinary world to an imaginary world using the story, "The Lion, the Witch and the Wardrobe."

In Numeracy, we will use our knowledge of number bonds to ten to help solve calculations.

In Geography, we will consider why Florida is the most popular theme park.

## Star Learner.

Well Done to Evie who explained in detail how she worked out number calculations by counting on to make answers of 100. Mrs Downs was very impressed!

## Reminders to Families

Please can all children bring their reading books and records each day. They are checked every morning.

The PTFA would like jam jars. If you are able to help, please bring them into school.

Thank you.
