

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 30
15th June 2018

Our Learning Journey:

We have had lots of fun watching Michael Rosen perform his poetry and all loved joining in and copying his expressions. We have been able to suggest ideas for our own poems too.

We have considered friendships and have written a letter to our friend to explain why they are special.

In Science, we used mirrors to reflect light. We had fun spying on each other!!

Harrison working hard to perfect a teddy bear roll.

Making sure the weeds are kept down in the beds outside our classroom.

Next Week:

We will create our own poems based on Michael Rosen.

We will continue to add details to our puppets.

We will learn how the Roman Bath Houses were used.

Maths will continue to focus on standard measures.

We hope for good weather for our first Sport's Day in Key Stage 2.

Star Learners -

Well Done Max and Luke who have presented a poster explaining why joining the Roman Army was a good choice.

Well Done to Imogen who performed, We're going on a Bear Hunt with good expression and actions.

Reminders to Families

Please make sure that your child's reading record is in school. They are checked in every day.

Thank you.
