

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 2
15th September 2017

Our Learning Journey

This week we have begun to learn Maths through puzzles, talking and singing.

Writing descriptions has been successful and the inclusion of adjectives helped to make our writing more exciting.

We began swimming this week and enjoyed our time in the pool. We were lucky - we had a lovely sunny day too.

We are reading new books and enjoying them - We have a good selection of books to read for pleasure and Where's Wally, and Roald Dahl books are popular choices.

We have had football trials this week and this was very popular. We are waiting to see who has been successful.

Focus on Learning

Next week:

We are having School Council Elections next week. If your child would like to stand, they need to have a short message that explains why they would like to be a School Councillor.

We will be thinking about the Magic Kingdom and why it is so popular for a holiday.

We will be continuing with our story writing and thinking about how characters begin in one world and end up in another.

Star Learner-

Well Done to Dexter
who has a very positive attitude to learning and always tries his best.

Reminders to Families

For this half term, the children will be swimming on Tuesdays and having indoor PE on a Friday morning.

If you are able to help with swimming, please contact the office.

All children need to bring in their reading books and records everyday. They will be checked every morning.

Children can bring in a healthy snack or a small amount of money to purchase a snack at playtimes.
