

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 21
16th March 2018

Our Learning Journey:

We have continued to email each other and are becoming more proficient in replying to incoming emails. We have been able to use an address book.

We have been learning about earthquakes and seen pictures of the destruction they can cause. We have been looking at New Zealand and are surprised at how many occur in this part of the world.

We have continued to rehearse our production of Jack and the Beanstalk and are now using the stage.

Well done to Molly and Lola – they enjoyed playing football.

Next Week

In Maths, we will be completing Maths assessments.

In RE we will analyse symbols associated with Easter.

We will continue to rehearse our production of Jack and the Beanstalk.

We will be considering why powerful earthquakes do not necessarily cause the most damage.

Star Learner-

Well Done to Luke 
who showed that he could make links between number sentences using his knowledge of $\times 10$ and that he is confident in ordering fractions of the same denominator.

Reminders to Families

Please remember to send back the slip giving permission for your child to have face paints.

Please make sure that your child's reading record is in school. They are checked in every day.

Thank You
