

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 30
16th June 2017

Our Learning Journey

Last week we thoroughly enjoyed French day and particularly enjoyed starting our day with hot chocolate and french bread. Well Done to all of you for making great Eiffel Towers.

Thank you for coming to see the assembly. We enjoyed performing and we were very pleased at so many positive comments from you all. Alfie M would like to do it all over again!

We have made spring rolls and some of us were surprised that we liked them!!

We have considered how fish get to our table and the processes used to make this happen.

Focus on Learning

Next week:

We will be making sure our myth is complete and will start a new topic based on the poetry of Michael Rosen.

We will begin a new RE topic based on Hinduism.

We will be using standard units to measure height and length. We will be considering scale.

We will be learning about the importance of Boudicca and her relationship with the Romans.

Star Learner

Well done to Alfie S who has joined our class this half term.

He has settled very quickly and it was great to see him take part in our assembly with enthusiasm. He has been involved in all the tasks and learning of this week.

Reminders to Families

Please continue to encourage your child to place their reading book and reading record into the box as they are checked every day.

We are looking forward to our sponsored bounce next Tuesday and KS2 Sports day next Wednesday!
