Our Learning Journey

It was lovely to have so many parents join us this morning for our Family Learning morning. Hopefully, you found it interesting to see how we learn in class.

We have been learning about explanation texts this week. We watched a film called 'The Shirtmaker' and identified some of the features of explanation texts.

Diversity Day

On Thursday this week, we spent the day exploring what it means to be part of a diverse world. We began by thinking about some of the groups we belong to and the similarities we share with others. We also considered the differences that make us special and designed our own unique flags.

We used books and Google Earth to find out more about places that are special to us. It was so interesting to learn new things about each other.

In the afternoon we discussed the diversity in our talents and interests. We watched the film for the new John Lewis advert and thought about Elton John's journey. We wrote about our own aspirations for the future and how we might achieve these.

Star Learners

Leo thought carefully about his favourite things that he could include in his flag design.
