

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 27
17th May 2019

Our Learning Journey

We have enjoyed using Michael Rosen's poems and have created our own poem based on "Don't." We had lots of ideas for this as we are often told not to do things!!!

We have begun to think about Megacities and what this means. We used a picture to consider advantages and disadvantages.

We have considered what our skeleton allows us to do and have labelled bones.

Swimming has been great and this week it did not rain!!

We have made string pictures which we will use for printing

Well done to the boys. Matthew scored a goal from the half way line!!

Focus on Learning

Next week we are looking forward to our Local History Week.

Chertsey Museum is coming into school to take our assembly.

We will be going on a town walk.

We are looking forward to our trips on Thursday.

We are excited to share a picnic with you on Friday.

Star Learners

Well Done to Lucas F for working independently on a poem.

Well Done to Maya and Harry for making a string picture for printing.

Reminders to Families

Please bring in your reading record as they are checked every day.

Swimming will take place next week as usual.

Thank you.
