

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 10
17th November 2017

Our Learning Journey

We have now completed our imaginary world stories using our planner. We included speech and paragraphing in our presentation.

We have been trying to show agility in using partner balances and will include one in our movement sequence. They were not as easy as we thought!!

We have been thinking about friends and what makes a good friendship. We wrote a letter to a friend saying what we enjoyed and liked about them.

Jayden is writing his letter to a friend.

Focus on Learning

Next week:

We will continue to change familiar rhymes using the same rhythm and beat.

We will be introduced to the grid method for multiplication facts.

We will investigate the strength of rocks.

We will begin cutting out and sewing our Christmas decoration.

Star Learner-

Well done to Elisha and Harvey for writing their story well. Both children took notice of their planner and took care with their presentation.

Reminders to Families

This half term, the children will take part in Rugby. They will need an outdoor PE kit with trainers. A hat, spare socks, fleece and joggers will help to keep us warm. A plastic carrier bag for muddy trainers would be very useful too.

All children need to bring in their reading books and records everyday. They will be checked every morning.

Thank You
