

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 23  
20<sup>th</sup> April 2018

## Our Learning Journey:

Well Done to Imogen, who has had her hair cut for charity. Her hair will be made into a wig for sick people. We are very proud of her.

Swimming is back and we had a great afternoon swimming in the sun. We all hope this is a sign that warm weather is here to stay!!!

We enjoyed learning about volcanoes and how they work. We had a clip that showed us how magma finds its way to the surface and blows the top of the volcano off!!!

## Next Week

In Maths we will be focussing on simple equivalent fractions.

We are planning to make scones next week. There will not be any nuts but if there are any worries, please let Miss Wells or the office know.

We will be considering the communion service with in the Christian faith.

We will be continuing to write our own leaflet.

## Star Learner-

Well Done to James, who considered the effects of a volcano on the lives of people,  
with care and concern.

## Reminders to Families

Please make sure that your child's reading record is in school. They are checked in every day.

Thank You

Don't forget your swimming kit on Tuesday.
