

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 31
22nd June 2018

Our Learning Journey:

We had a great time at our sponsored dance-a-thon and all of us danced and threw different moves. We were very tired at the end!! Oliver and Dexter, our school councillors, encouraged everyone to join in and keep going! Thank you for all your donations.

We have used Michael Rosen's poem, "Don't," to create our own creation. We included repetition and rhyme.

Measuring accurately!

We all thoroughly enjoyed Sports Day and participated in house games, sprints and long distance runs. We all supported each other and enjoyed being with our respective houses.

Next Week:

We are looking forward to the concert and hope you are able to join us.

We will continue to use an app to produce a comic strip.

We will learn how the Romans trained Gladiators to fight for entertainment.

Maths will continue to focus on standard measures.

Star Learners -

Well Done Jake, Harvey and Maisie who used their myth maps to create detailed stories demonstrating paragraphs, speech and engaging vocabulary.

Well done Oliver and Dexter who encouraged all the children to join in with the dance - a-thon.

Reminders to Families

Please make sure that your child's reading record is in school. They are checked in every day.

Thank you.
