

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 3  
22nd September 2017

## Our Learning Journey

We have enjoyed recording how a character gets from one world into the next and we have had lots of ideas.

We have all been involved in voting for House Captains this week and based our vote on the Year 6 children's speeches. We have also been listening to the children who wish to be School councillors this year.

We have been looking for number bonds to 10 to support our number calculations and trying to explain how this helps with accurate answers. We have found the explanations trickier than we thought!

We have all created our own peg and class label. We have imported a picture that we like. Cute Kittens and puppies are the most popular but we do have sharks and dinosaurs!!

## Focus on Learning

### Next week:

We will be focussing on Italy as our European Language for the day. We are planning to make individual pizzas. If there is a problem, please contact the office.

We will be continuing with our story writing and thinking about and recording character descriptions.

In Maths we will continue to use place value to support our number calculations. We will also be ordering numbers.

## Star Learner-

Well Done to Findlay who has shown good understanding of a text and was able to ask some questions of his own.

## Reminders to Families

For this half term, the children will be swimming on Tuesdays and having indoor PE on a Friday morning.

If you are able to help with swimming, please contact the office.

All children need to bring in their reading books and records everyday. They will be checked every morning.

Children can bring in a healthy snack or a small amount of money to purchase a snack at playtimes.
