

YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 19
23rd February 2018

Our Learning Journey.

We have used imperative verbs in our instructional recording. We have enjoyed creating a revolting recipe using disgusting ingredients. Examples are toe nails, rats eyes, heart of a shark, dragon eggs and vampire blood!!

In History, we have completed a head dress to help us remember Star Carr and made a bracelet or necklace to help us remember Skara Brae: both examples of Stone Age villages.

We have been folding paper shapes to show different fractions. We have used cake to see how the more parts to a whole you have the smaller the slice.

We are continuing to practice the songs and dance moves for our production of Jack and the Beanstalk .

Next Week

We will continue to use imperative verbs and adverbs when writing recipes. We will record how to be a good friend.

In Maths, we will continue to focus on unit fractions using numbers.

In RE we will consider what Jesus did to convince Christians of his power.

We will consider the importance of a skeleton and name simple bones.

Star Learners-

Well Done to James who is able to predict the number of parts to a whole when folding and can use simple fractions with numbers.

Reminders to Families

Please remember to bring in your costume to school. If there are any problems, please let us know as soon as possible.

Don't forget World Book Day next week.

Remember to bring your favourite book.

Thank You
