## Our Learning Journey

We have been rehearsing well and are putting all the singing, dancing and dialogue together. We are looking forward to seeing you all next week.

We were lucky to have a visit from a theatre group and watched, "A Little Princess." We thought it was great and loved the scenery changes.

We have begun to learn about the Sikh Religion and have focussed on the naming ceremony of children. We know that, "Singh," is used for all boys and, "Kaur," is used for all girls. Their first name is taken from an opened page from their holy book.

In French we have been playing a barrier game using an alien to learn colours and parts of the body.

Camran is putting up house points.

Dexter and Charlie V reading with enjoyment.

## Focus on Learning

### Next week:

We will be having our dress rehearsal for Dick Whittington on Monday in front of the rest of the school.

We will continue to use partitioning, expanded and compact methods to support addition.

In RE we will be considering the main points of the Easter Story and what this means to Christians.

## Star Learner

Well Done to Josh N who has been very supportive to all the children as they get ready for their performances of Dick Whittington. He has also been focussed in his learning and worked hard in French and RE.

## Reminders to Families

All children need to bring in their reading books and records everyday. They are checked every morning. When you read with your child, please sign their book. There are still a number of children who do not bring in their books.

Please could the children bring in an old plain white pillow case in readiness for a DT project.

We are very excited about our Production of Dick Whittington.  
See you there.
