

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 28  
25<sup>th</sup> May 2018

## Our Learning Journey:

The weather was kind for some of the day on Monday and we were able to plot some shadows on the playground. We saw them change in length and have begun to understand why that is.

We thoroughly enjoyed our trip to Butser Ancient Farm and were all very excited and enthusiastic. We sat in a round house, made jewellery and clay pots, worked with willow and made clunching. We would like to thank Mrs Unwin, Mrs Rose, Mrs Liu and Mrs Puri for helping us.

We have completed our paintings based on Lowry and we have outlined the figures and this has made them stand out. We will display them in our cloakroom.

## Next Week:

We will be completing our story based on a myth.

We will continue to create our puppets: sewing, adding facial features and painting the different limbs for our string puppets.

We will learn about Boudicca and her stand against the Romans.

Maths will focus on turns and rotations.

## Star Learner-

Well done to Lauren who showed focus and determination in her Maths assessments.

Well done to Kamran and Frazer for recreating a Lowry picture using stick figure knowledge to help with sizing.

They showed patience and concentration towards this task.

## Reminders to Families

Please make sure that your child's reading record is in school. They are checked in every day.

If your child is making a rod puppet, they will need a white / cream plain pillow case to create the body.

**Thank you.**
