

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 24  
27<sup>th</sup> April 2018

## Our Learning Journey:

We have all enjoyed making scones and have rubbed fat into flour, grated and added cheese, kneaded the dough and cut out the scones. We hope you enjoyed them.

Next time, we will be making cakes so we can learn about the creaming method!!

We have been busy creating our booklets to show our understanding of Non – Fiction Booklets. They will be put together and be shared during our reading sessions.

We have been busy with our assembly and are looking forward to sharing this with you next week.

We know that prayers, singing, bread and wine are all part of Communion.

## Next Week

**In Maths we will be describing 2D shapes using the correct vocabulary.**

We will be learning about the story of Remus and Romulus.

**We will be looking at how dialogue is presented in a play form and we will be considering how myths are written.**

We will be learning about the significance of objects used in a communion service.

## Star Learner-

**Well Done to Jason and Lauren who worked very hard to present a variety of features in their Non – Fiction Booklets.**

## Reminders to Families

Please make sure that your child's reading record is in school. They are checked in every day.

**If you can help us, we would appreciate a few empty lemonade bottles to support our puppet making.**

**Thank you.**
