

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

Issue Number 23  
29th March 2019

## Our Learning Journey

We have had another good week and have now completed a mountain landscape which we are very pleased with. We were able to show our understanding of background, middle ground and foreground. We had to mix the colours we wanted as we only had red, blue, yellow, black and white to work with.

We have worked hard to use simple chunking and realise that our table knowledge is important to this strategy.

Well Done to the Year 3 Football Team.

Poppy, Tia, Maya and Millie have enjoyed sewing club and are proud of their cushions.

## Focus on Learning

Next week we will be choosing our own subject and begin to create our own non fiction booklet.

We will use a DT project on making a box to reinforce our 3D shape vocabulary and understanding of properties.

We will continue to group foods using a food pyramid.

## Star Learners

Well Done to Evie and Anthony for creating a painting that showed a variety of tints and shades.

Mrs Brown would like to say Well Done to Nathan for producing a well presented fact map.

## Reminders to Families

Please can all children bring their reading books and records as they are checked every morning.

Please bring an empty box to support our DT project.

**Thank you.**
