Issue Number 4

Our Learning Journey

Well Done to Oliver and Dexter who became our school councillors for this year.

We all had a great day learning about Italy. We listened to "Nessun Dorma," sung by Pavarotti, had a story that took us around different parts of the country and learned that Pinocchio was written by an Italian author. We practised some simple vocabulary and used songs to say numbers 1-10 and colours. We chose pizza toppings and enjoyed eating them. We tried to copy some dance steps to an Italian folk dance and also designed a car to beat Ferrari.

Focus on Learning

Next week:

We will be starting our Sports fortnight and next week will be using an inclusive games box, playing indoor games with a sports theme, dancing, playing American football and swimming is as usual. We will also think about the efficiency of steps, suggest different ways and try them out. We will tabulate our results.

We will be using some of our Literacy focus to explain how to play a game, thinking about presentation and clear instruction
