

# YEAR 3 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

Issue Number 32  
30<sup>th</sup> June 2017

## Our Learning Journey

We have had a good week and enjoyed the poems of Michael Rosen. We have used "We're going on a Bear Hunt," "Don't," and "Chocolate Cake," to support our own performance poetry creation.

We have also begun to use clapping rhymes to see how words and actions work.

We enjoyed working with Roman Numerals and learning about Roman baths: we will definitely remember that sponges on sticks were used in their toilets!!

Enjoying our sports day on our field:  
Well done to everyone for supporting each other

We have been learning to add the lengths of edges to find the perimeter of shapes. We used a song to help us remember that perimeter means the outside!

We were very surprised to see all the money in the hall – what a good use of smartie tubes!!

Year 3 had the most!!!

## Focus on Learning

### Next week:

We will be spending 3 mornings with our new Teacher for Year 4.

We will be learning about the monkey God Hanuman from the Hindu Religion.

We will be learning about the life of a Roman Gladiator .

Telling the time accurately will be our focus in Maths.

## Star Learner

Well done to Beth and Jemma who have worked hard on their puppets and are almost ready to string them.

Well done to Daniel who has painted his puppet and with support from Adam, has put the strings on.

## Reminders to Families

Please continue to encourage your child to place their reading book and reading record into the box as they are checked every day.

Please bring in any sponsored bounce donations to the office.

Thank you to Mr Rainbow for clearing the garden area outside our classroom.
