

YEAR 4 WEEKLY LEARNING

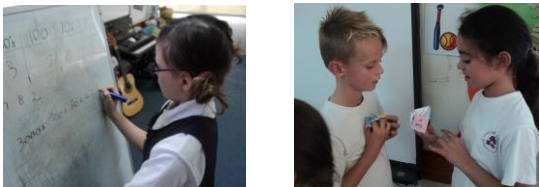

Ongar Place Primary School, Addlestone, Surrey 01932 842785

7th October 2016

Our Learning Journey

Maple class have been working on addition this week in maths. We also made something to help us learn our times tables.

We used our descriptive writing skills in English, making wanted posters, newspaper reports and writing settings.

Our day of language was very interesting and as promised, some photographs of some of the activities. We made rye bread; some of us liked it but not everyone!

We used I pads for research.

Focus on Learning

We are really enjoying our work on our Harry Potter style fantasy stories. Next week we shall be writing about the triggers that move the reader from the real setting to the fantasy setting.

We shall continue to work on our addition in maths, solving problems involving money. Concentrating on formal written columnar methods.

Star Learners

Olivia Sheldrake, for persevering with place in maths.

Well done!

Information for Families

As it is getting rather chilly now please send your child into school with a coat for break times and also kit for outdoor PE.

Have a lovely weekend.

Mrs Harris and Mrs Meade
