

YEAR 4 WEEKLY LEARNING

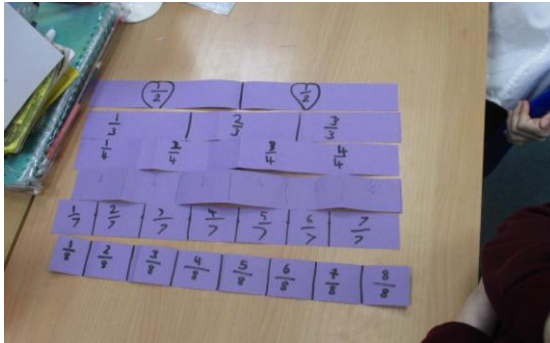

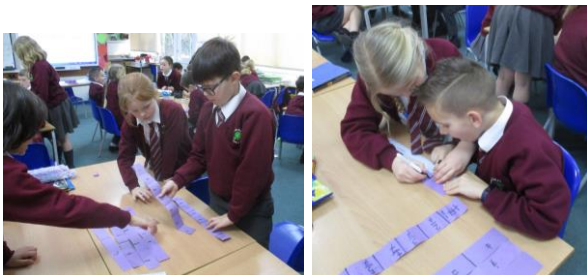

Ongar Place Primary School, Addlestone, Surrey O1932 842785

1st February 2019

Our Learning Journey

We have been learning about equivalent fractions this week in maths. We made our own fraction walls to help us to understand this.

We have read the first few chapters in our 'Butterfly Lion' book. We imagined what it would be like to be the little boy at the beginning of the story who is at boarding school and not very happy. We wrote a diary entry to explain his feelings and the things that were happening to him. We were all pleased that he met someone who made him feel a lot better and explained that 'there's always sun behind the clouds and the clouds go in the end.'

Focus on Learning

Next week the focus in Times Tables Rockstars is 6x tables.

We are looking forward to finding out what happens next in our class novel and will continue to read this next week.

In PE we shall continue to develop the dance we are learning with Jess from Synergy Dance.

Star Learners

Dexter for the improvements he has made to his handwriting. Well done.

Information for Families

Enjoy the weekend.
