

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

1st March 2019

Our Learning Journey

We have continued to learn about fractions in maths this week and have started to learn about decimals and the relationship between them. Some of us made number lines with fractions and decimals. We took our maths outside, as the weather has been so nice, where we were ordering fractions.

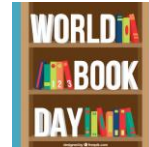

We have been learning about pronouns and apostrophes for possession in English. We annotated a picture from a film clip we watched to show that we know how to use them.

For your information

Next Friday we are celebrating World Book day. Children can come to school dressed as their favourite book characters. They may also bring their favourite books in. If any parents would like to join us to read one of their favourite books to the children please see Mrs Meade or Mrs Cheney.

Star Learners

Lauren, for trying so hard in English this week.

Well done.

Information for Families

It was a pleasure to see so many of you at parent's evening.

Enjoy the weekend.

Mrs Meade and Mrs Cheney
