

# YEAR 4 WEEKLY LEARNING

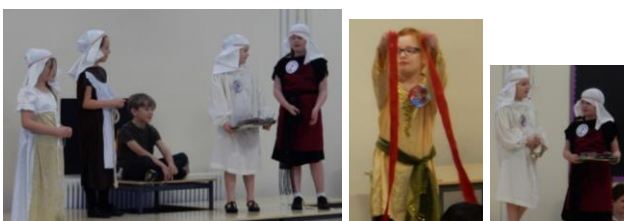

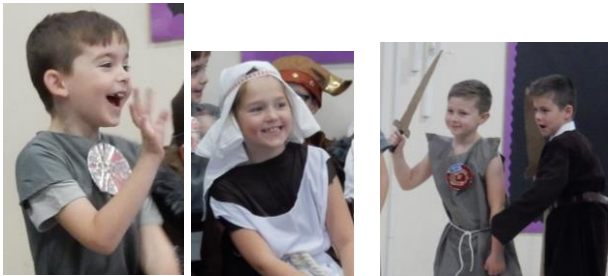

Ongar Place Primary School, Addlestone, Surrey 01932 842785

1<sup>st</sup> December 2017

## Our Learning Journey

The children have been so excited about performing to the school and their parents during their class assembly. They were amazing, learning lines and songs that helped them to share all their learning about the Anglo Saxons.

## Learning focus

Next week we shall be writing instructional texts in English.

We shall be problem solving in maths; using addition, subtraction and multiplication.

In theme we shall start to learn about the Vikings.

## Star Learners

All of Maple class for performing like stars in our class assembly. Well done!

## Information for Families

It was lovely to see so many of you at our class assembly on Tuesday.

Have a good weekend.

Mr Good and Mrs Meade
