

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

2nd November 2018

Our Learning Journey

We have been exploring different types of poetry in English this week. We enjoyed working together on our performance poems.

We used dice to generate numbers when playing a game to help us with our addition.

In computing we have been using I pads to work on our coding; we wrote code that made vehicles move on screen.

Focus on Learning

Next week in English we shall be reading the Anglo Saxon saga 'Beowulf' (the modern version) and finding out more about the story and characters.

The focus in maths will be addition, using the column method to solve problems. We shall be concentrating on 6x tables during our Times Tables Rockstars sessions.

Star Learners

Harrison, for trying hard with homophones in spelling.
Well done.

Information for Families

As the weather is getting colder please make sure your child has a sweatshirt and jogging bottoms for outdoor PE.

Enjoy the weekend.
Mr Good, Mrs Meade and Mrs Reed
