

YEAR 4 WEEKLY LEARNING

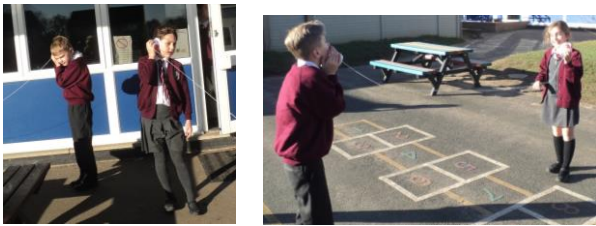

Ongar Place Primary School, Addlestone, Surrey O1932 842785

2nd December 2016

Our Learning Journey

We have been investigating 'sound' in science and this week we wanted to know how sound travels over distance. We made string telephones and are now able to explain how they work.

BRRRRR!!!! The weather has been cold but we kept warm doing outdoor PE this week. We worked on our agility and teamwork.

Focus on Learning

Next week in maths we shall be working hard to learn our times tables. We shall also be solving real life problems using multiplication and division.

In English we are really enjoying our work on Myths and Legends.

Star Learners

Hattie for the poem she wrote in French about her likes and dislikes.
Well done!

Information for Families

Keep warm and have a lovely weekend.

Mrs Harris and Mrs Meade
