

# YEAR 4 WEEKLY LEARNING

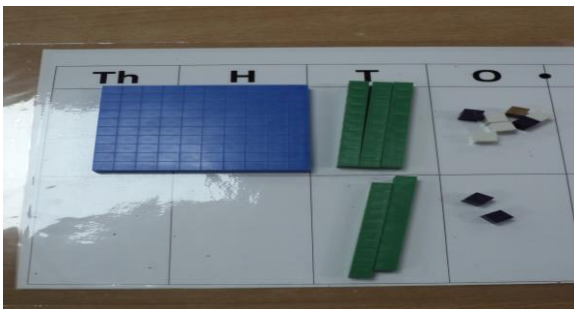

Ongar Place Primary School, Addlestone, Surrey O1932 842785

4<sup>th</sup> November 2016

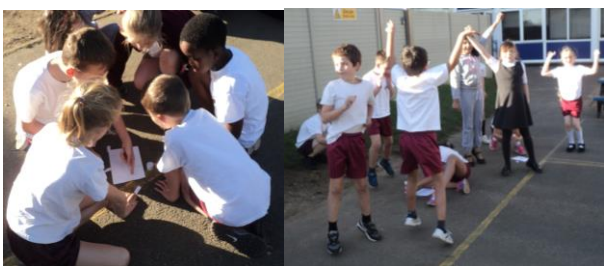

## Our Learning Journey

Maple class have started this half term well, all ready to work and enjoy our learning.

We have been subtracting in maths and we found that using equipment can help us.

We made the most of the sunshine and did some of our maths of the day outside before doing rugby in PE.

We have started to learn about pocket money in French.

## Focus on Learning

Next week we are going to start multiplication in maths. Investigating how arrays can help us work out multiplication and how multiplication is commutative.

We shall be focusing on Myths and Legends in English, learning about some Anglo Saxon examples.

Our new topic in science will be 'sound'.

## Star Learners

Frankie McKenna for using the inverse operation to check her column subtraction.  
Well done!

## Information for Families

PE this term will be indoors on Monday and outdoors on Wednesday, please make sure PE kits are in school.

Have a lovely weekend.  
Mrs Harris and Mrs Meade
