

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

5th April 2019

Our Learning Journey

We had a great day of D.T. which involved designing and then making a hands free head torch. We used the knowledge we had gained during our science topic on electricity to help us.

For your information

The children are very excited as on the first day back to school after Easter, Maple class are going on their trip to Wisley Gardens. Please make sure your child is in school uniform and has a coat, English weather is so unpredictable!

Star Learners

George, for some great problem solving in maths. Well done.

Information for Families

Have a wonderful Easter; let's hope the weather is kind to us.

Mrs Meade and Mrs Cheney
