

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

6th July 2018

## Our Learning Journey

We have really enjoyed spending time in Year 5 with Mr Knott and Mrs Straker and feel confident about being with them in September.

Of course we are still really busy in year 4! We have been learning how to write an effective set of instructions for the games that we invented. We spent some time testing these instructions as we played the games.

On Wednesday afternoon we were really lucky; Mr Seuke from Planet Soccer came to introduce us to orienteering. We found that we had to concentrate, work as a team and stay focussed if we wanted to complete the tasks set us. We had a great time.

## Focus on Learning

We are all looking forward to our trip to Brooklands museum on Tuesday.

## Star Learners

Alfie Sage for trying hard in geography, drawing a sketch map.  
Well done!

## Information for Families

All teacher led clubs, including football, have finished for the year now.

Enjoy the weekend.  
Mr Good and Mrs Meade
