

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

6th October 2017

Our Learning Journey

Maple class has had a very exciting, active week.

We thought about what it would be like to stay active if you had a disability. Trying to play games with blindfolds and playing seated volleyball.

We have taken maths outside and been active while learning about place value.

We had a room set up for indoor games such as table tennis and two Wii games and darts, which was very popular!

Focus on Learning

Next week we continue our very exciting Healthy Living Sports weeks. There are visitors coming in to school so that we can experience new activities. We shall be trying skipping and playing dodgeball.

On Friday the children are taking part in Inter House Day. They should come to school in a plain T-shirt of their house colour and jogging bottoms/shorts and trainers.

Star Learners

Callum, for having a go with enthusiasm at all of the new activities this week.

Well done!

Information for Families

Please encourage your children to 'have a go' at these new activities.

Have a lovely weekend
Mr Good and Mrs Meade
