

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

6th July 2017

Our Learning Journey

Although we have been very excited to spend time in our new classes this week, we have also been very busy learning in Year 4.

We have been classifying vertebrates in science.

We have been learning how to use clubs and play golf club in PE!

Learning Focus

We will continue to work hard, even though it is nearly the end of term!

Next week in maths we shall be concentrating on multiplication.

We are enjoying our topic 'A Local Study' and will continue learning about living things and their habitats in science.

Star Learners

Well done Sophie for her accuracy during golf!

Information for Families

Have a lovely weekend.
