

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

7th September 2018

Our Learning Journey

Maple class has had a very busy first week back to school! We have enjoyed hearing about our summer holidays. We have spent time getting to know everyone, including Mrs Reed who will be continuing her training with us until Christmas.

We spent some time thinking about one of our new values, teamwork. We found that some activities are much easier if you work together.

We thought about and agreed on a class charter to make our class a happy and safe place to learn, we all signed to say that we promise to keep to these rules. Well we are going to try our best to!

In history we have started to explore why the Romans left Britain.

Focus on Learning

Next week we shall begin reading our class novel.

In maths we shall be focussing on place value.

French will see us start to learn some weather phrases.

Homework this week will be to read and record in reading record books.

Star Learners

Well done Maple class for a positive start to the school year.

Information for Families

We are taking part in a project with Chertsey museum and will need empty, clean jam jars, please save one or two and send them into school.

Have a lovely weekend

Mr Good, Mrs Meade and Mrs Reed
