

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

8th February 2019

## Our Learning Journey

We worked together in English to see if we could predict what would happen in a book just from the information we found on the front and back covers of a book. Now we are planning our own version of what we think the stories will be.

Learning about the ancient Mayans in history is really interesting. This week we have been finding out lots of information about the main sport played at the time. It was called pok-a-tok, can you guess from the picture how it was played?

## For your information

Mrs Cheney was really looking forward to being back at Ongar this half term but unfortunately she has been very poorly. Fortunately Mr Good and Mrs Reed have been ready to step in. Hopefully Mrs Cheney will return fit and well after half term.

## Star Learners

Lennydean, for trying hard with his reading this week. Well done.

## Information for Families

Please remind your children to bring a water bottle to school every day.

Enjoy the weekend.

Mrs Meade
