

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

9th November 2018

Our Learning Journey

We have been trying hard to make our writing interesting. We are using thesauruses so that we can use some new vocabulary.

'Beowulf fought Grendel but swords couldn't penetrate his skin.'

'Grendel devoured thirty people.'

We have also started to add extra information to our sentences by embedding subordinate clauses.

'He had a dark brown, dragon headed ship, which he sailed to Denmark in, with his brave army.'

'Beowulf, who was brave and strong, ripped off Grendel's muscular arm.'

In science we have been exploring how sound is absorbed, using a data logger to measure the effectiveness of different materials for sound proofing.

We have been adding to our vocabulary in French and can now count up to thirty or as we now know - trente!

Focus on Learning

Next week we will continue to learn about the Vikings, identifying what it was that most Viking Norsemen wanted from Britain.

We shall be concentrating on 9x tables during our Times Tables Rockstars sessions.

Star Learners

Elisha, for the use of embedded clauses in her writing.
Well done.

Information for Families

We look forward to welcoming many of you to our class on Tuesday.

Enjoy the weekend.
Mr Good, Mrs Meade and Mrs Reed
