

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

9th February 2017

Our Learning Journey

Telling the time on both analogue and digital clocks has been our focus in maths this week. We have been converting times and solving problems that involve time.

We are enjoying the book we are reading in English, *The Butterfly Lion* by Michael Morpurgo. We have been looking at some of the key features that make a good opening for a story.

Our Viking learning is very exciting, we made some Viking bread and oatcakes.

Focus on Learning

After the half term break in addition to our usual learning we shall be working very hard on our Year 3 and 4 production. The children will be busy learning their lines, songs and dance moves!

Star Learners

Thomas Ellis for showing a great understanding of 'time' in maths.

Well done!

Information for Families

Have a relaxing and refreshing half term holiday.
