

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

12<sup>th</sup> May 2017

## Our Learning Journey

Our visit to the library was very interesting and informative and the children enjoyed learning how to find different books and other resources.

We have enjoyed writing a narrative of what we thought was happening in a short silent film called 'The Piano'.

We took our maths learning outside to investigate whether we could find angles and parallel and perpendicular lines in real life. We were surprised at how many there were.

## Focus on Learning

We are all looking forward to our visit to Brooklands Museum next week. This will provide a valuable opportunity to broaden our topic work this term.

## Star Learners

Ryan, for the use of interesting vocabulary in his version of 'The Piano' in English.

Well done!

## Information for Families

We are leaving school at 9.00am on Monday to walk to the station. Please send your child with a waterproof coat, as we can never be sure of the weather! Have a lovely weekend.

Mrs Harris and Mrs Meade
