

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

14th October 2016

Our Learning Journey

Maple class have been trying really hard in maths. We have been using our place value knowledge and our number bonds to add four digit numbers written in a column.

We have been using descriptive language as we continue to write our fantasy stories. We are trying to improve our proof reading skills.

Music is great fun as we learn to play the ukulele.

Focus on Learning

In maths next week we shall be focusing on subtraction. Knowing our place value will really help us with this.

In English we shall continue to work on our fantasy stories. We are using our growing understanding of complex sentences to make them really interesting.

Star Learners

Thomas Ellis for using good observational skills and using scientific vocabulary in science.
Well done!

Information for Families

We look forward to seeing you at parent's evening.

Have a lovely weekend.
Mrs Harris and Mrs Meade
