

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

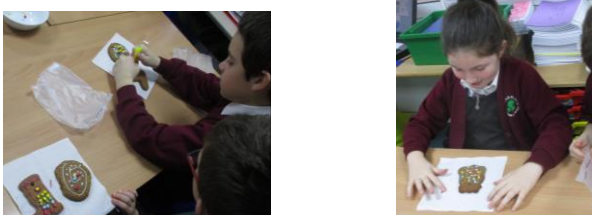

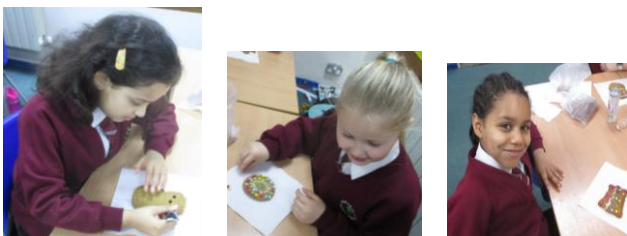

14th December 2018

Our Learning Journey

We have been working on our persuasive language in English. We are going to write an advert that will persuade everyone to eat Brussel's sprouts with their Christmas dinner.

We completed a check on our times tables knowledge and are very proud of ourselves, as everyone had improved their speed and recall of the tables up to x12. We shall continue with Times Tables Rockstars in the New Year.

We all enjoy cooking and this week we made and decorated gingerbread Christmas tree decorations.

Focus on Learning

It's hard to believe, as this term has flown by, but this is the last learning letter of the term. We have worked hard and are all looking forward to the Christmas break.

We will still be busy next week and are all excited about our Christmas lunch on Tuesday. It is also Christmas jumper day; we still have to wear our school uniform skirts/dresses/trousers and have been asked to bring a small donation for charity.
