

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

15th September 2017

Our Learning Journey

Maple class has been thinking about our value 'perseverance'. We heard the story of Robert the Bruce and the spider and then thought about times when we had to persevere. We also painted faces for our display about friendship in the hall.

As we are using 'Harry Potter and the Philosopher's Stone' as part of our English learning we will be looking at certain clips from the film and as a special treat may watch the whole film at the end of the Autumn term. If you have any concerns or queries about this, please ask.

On Wednesday morning we had our first music lesson with our Primary Robins teacher. It was great fun!

Focus on Learning

Next week we shall learn how the Anglo-Saxons have influenced Britain by explaining some of the place names they established.

In science we shall be looking at the differences between solids, liquids and gases and trying to establish what a gas is.

Star Learners

Welcome to Queenie who has joined Maple Class. What a great start. You've tried hard in all our new learning. Well done!

Information for Families

Please ensure that your children's uniform is named, we already have a selection of lost property.

Have a lovely weekend
Mr Good and Mrs Meade
