

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey O1932 842785

16th September 2016

Our Learning Journey

We started to read our book Harry Potter and the Prisoner of Azkaban this week. We thought about other fantasy stories that we know and the features that they all share. We wrote a set of instructions that explained to someone from the wizarding world how to use a piece of equipment that they do not usually use.

Science was exciting, as we started to learn about states of matter. We found that some materials are not easily classified as either solids or liquids. We made videos to explain what makes them different.

Focus on Learning

We are all looking forward to an exciting and interesting week, as next week is our Well Being Week. We shall be welcoming lots of visitors into the school who will share how we can help other people and ourselves feel good.

We shall be very busy preparing and eating food, taking part in physical activities and will also take time for some quiet reflection.

★ ★ Star Learners ★ ★

Welcome to Abi who has joined Maple Class. What a great first week you've had. You've tried hard in all our new learning. Well done!

Information for Families

Hopefully the glorious weather will continue, please send your child into school with a water bottle every day.

Have a lovely weekend.
Mrs Harris and Mrs Meade
