

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

16th November 2018

Our Learning Journey

We really enjoyed family learning this week, when some of our mums, dads, aunties and nannies joined us in class. We talked about how to stay safe on the internet. We did some reading inference activities and competed against our adults in a times tables Rockstars contest! It was great fun finding games that we could play at home to improve our times tables knowledge.

Focus on Learning

Next week we shall continue to focus on multiplication in maths.

We shall be revisiting 3, 6 and 9x tables during our Times Tables Rockstars sessions.

In English we will be creating sentences that start in a variety of interesting ways.

Star Learners

Jason, for his work on comparing and contrasting Saxon and Viking homes. Well done.

Information for Families

Thank you to all the relatives who joined us for Family Learning Day.

Enjoy the weekend.

Mr Good, Mrs Meade and Mrs Reed
