

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

17th May 2019

## Our Learning Journey

In English we have been writing the narrative to go with the short film we have watched called 'The Piano'. We have tried really hard to use some adventurous vocabulary and succeeded in producing some very moving writing.

*"He was playing a slow melody, yearning for his memories to come back to him."*

*"Playing a solemn tune on the piano that would force a tear into the person with the darkest heart."*

*"Once again another thought crowded his mind as he drifted back into the dreadful world of war"*

Swimming is always great fun but especially when the sun shines!

## For your information

We are looking forward to next week when we focus on history. We shall be learning about the history of our local area, thinking about the way it has changed over the years and the benefits those changes have brought to the community.

On Thursday we are all going to visit the location of the school houses that we belong to.

**★ ★ Star Learners ★ ★**

Lola for her work on her E book and helping others with theirs.  
Well done.

## Information for Families

Enjoy the weekend.

Mrs Meade and Mrs Cheney
