

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

18th May 2018

Our Learning Journey

We have been using laptops to watch a short film clip and make journalistic notes as we work towards writing newspaper reports.

Our swimming lessons are great; we all enjoy them especially when the sun shines too!

We have been learning to tell the time in French.

Focus on Learning

We shall be writing newspaper reports next week, making sure that they have all the correct features.

We are going to be learning about Henri Rousseau, his life and work, in art. We shall investigate using different mediums as we produce a piece of 'Rousseau' themed work.

Star Learners

Camran for trying really hard with his accent in French.
Well done!

Information for Families

Enjoy the weekend.
