

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785 20th April 2018

## Jack and the Beanstalk

Although we have started another busy term, as promised photographs of Year 4 enjoying performing their production.

We have been busy this week and have enjoyed the sunshine, learning tennis skills with Mr Knott.

We have been converting units of measure in maths and solving problems.

**Star Learners**

All of year 4 for their amazing singing, dancing and acting in our production. Well done!

**Information for Families**

As the weather improves it is even more important that each child has a water bottle in school each day.

Have a lovely weekend,  
Mr Good and Mrs Meade
