

# YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

20<sup>th</sup> October 2017

## Our Learning Journey

We have been finishing, redrafting and writing our fantasy stories in our best neat handwriting this week. Maple class have great imaginations!

Although our healthy living activity weeks have finished now we are still being active. Lots of children have been practicing their skipping skills at break times.

It is a shame the weather wasn't better for our last swimming session of the year but that didn't stop us enjoying ourselves.

## Focus on Learning

After half term we will have two PE sessions per week. Tuesday will be indoors and Thursday outdoors, please make sure your child has jogging bottoms, sweat shirts and trainers in their PE kits.

Children, at the end of year 4, are expected to know their times tables and the associated division facts up to 12 x 12. Lots of practice will help them to achieve this.

## Star Learners

Rosie and Beth for leading whole sections independently when the class sang in fours during our singing lesson. Well done!

## Information for Families

It was good to see so many of you at our parent's evenings.

Please remind your children to bring in materials for their Saxon houses the first day back to school.

Have a lovely half term holiday.

Mr Good and Mrs Meade
