

YEAR 4 WEEKLY LEARNING

Ongar Place Primary School, Addlestone, Surrey 01932 842785

15th September 2017

Our Learning Journey

We have been enjoying our English as we made up new houses for Hogwarts and imagined how we would get from our world to a magical one, like Harry on Platform 93/4. We have used adjectives to make our writing more interesting and have used time connectives to sequence events.

Outdoor PE is fun with Mr Knott, especially as the weather has been kind to us!

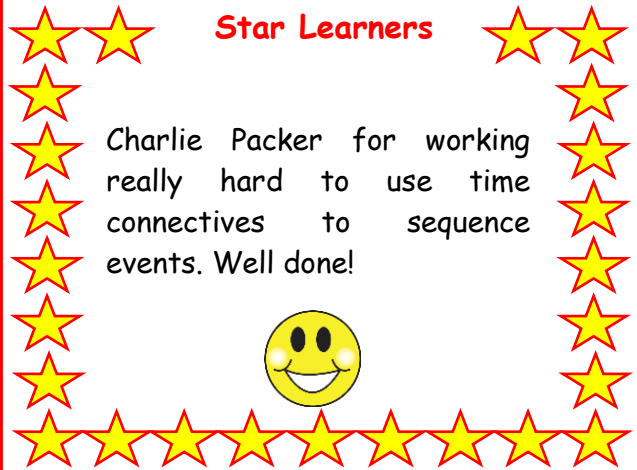

We spent time in our house groups to vote for our new house captains. We listened very carefully to all the candidates to make sure we voted for the right people for the job.

Focus on Learning

The European Day of Languages has been celebrated every year since 2001. This year to celebrate the 6000+ languages spoken around the world Maple class are going to spend Monday learning about Japan and the Japanese language.

Star Learners

Charlie Packer for working really hard to use time connectives to sequence events. Well done!

Information for Families

As part of our learning about Japan we shall be tasting some Japanese food, if you have any concerns please ask.

Have a lovely weekend
Mr Good and Mrs Meade
